

A day at NeSoDak is full of fun and adventure centered in Christ. While the camp schedule varies depending on the program, these daily activities guide our days and form our community at camp. Here is a quick list of the activities campers will find at NeSoDak as we Connect at the Water!

Road Runner – An optional morning jog around the peninsula that is sure to wake you up. This .85 mile run is led by counselors or support staff and is open to whoever would like to join them. If campers complete the run every day, they receive a certificate SUITABLE – FOR – FRAMING!

Polar Bear - Another optional activity right away in the morning to run into the lake first thing! If campers complete the activity every day, they receive a certificate SUITABLE – FOR – FRAMING!

Armor Up - As an introduction to the daily theme, Armor Up is a time to hear and reflect on what will be discussed in Bible study, worship and throughout the day.

KP/SWAS - **KP** = Kitchen Party – Campers and their cabin mates will get to do dishes with the kitchen staff while rockin’ out to songs of the 70s or Disney soundtracks.

SWAS = Service With a Smile - While one cabin is doing KP, the others focus on beautifying camp with projects including cleaning the bathhouse (done daily), watering and weeding the garden, picking up sticks, raking the beach, or other fun and exciting projects. Thanks for taking care of and serving your camp!

Morning Worship – We gather to worship God with music, skits, prayer, and more! Campers will try out creative ways to worship and be centered for whatever lies ahead.

Open Time – Campers can visit arts and crafts, try archery, or go on a bike ride around the peninsula! This is the time we’ll explore God’s creation through games, crafts, and activities. Campers will be challenged with group-builders, take a nature walk together, share in devotions while on the pontoon, or spend some time playing gaga ball.

Bible Study – Camp is full of fun and adventure! Everything that we do during each day at NeSoDak will be tied into a revolving and continuous Bible study. Each camp day has a daily theme! Our Bible study will be infused continuously throughout all the day’s activities and adventures.

All Camp Game - This is for the whole camp to gather and play a large group game!

Canteen - A chance for an evening snack and a small break to just hang out with new friends.

Campfire – Each evening we gather around a campfire we sing praises and give thanks to God for our day with a campfire worship.

Rewind - A time to reflect on the day and grow closer as a cabin, ending the day in prayer.

At NeSoDak, we live out the mission of Lutherans Outdoors in South Dakota each and every day!
Lutherans Outdoors in South Dakota welcomes all to explore and experience Christ’s love in community and creation.
